## Emirates Thalassemia Society signs a cooperation agreement with Tadawi Medical Center

Emirates Thalassemia Society signed a partnership and cooperation agreement with Tadawi Private Medical Center in Dubai, which grants the Society's valid members (patients & non-patients), who do not have medical insurance, a 25% discount on the medical and treatment services provided by the Center. The agreement was signed on

20th of May 2013 by both Mr. Abdul Baset Mohd Merdas, Vice Chairman of Emirates Thalassemia Society and Mr. Salem Al-Maameri, Chief Operations Officer of Tadawi Medical Center.

Mr. Abdul Baset Merdas stressed the fact that the conclusion of such agreement comes within the Society's objectives and strategy to provide the best services for its members, as well as its keenness to provide the best moral and material support for the patients to mitigate their suffering. Emirates Thalassemia Society aspires in future to adjoin further into such agreements with different bodies to provide the best services for thalassemia patients all over UAE.
